With my signature I confirm the registration to stentists-digitale Planungsdienstleistungen Jens Bingenheimer. With this registration I am entitled to use the 'smop' software from Swissmeda. If the 12-month membership is not terminated three months before the expiration date, it will be extended automatically for another 12 months.

If I had the 800-Euro-price model with 'Swissmeda', I announce this to the regular expiration date. With the next year extension, the change to the 600 Euro price model will take place automatically and I will be registered at stentists.
